Ever since you said sweet baby it's goodbye  
I've lost control over me myself and I

Me keeps crying till it can hardly see  
Myself keeps calling your name in the sleep  
I keeps reaching my eyes out for you  
And honey you're to blame for these things that we do

We walk around acting foolish as can be  
We're just three clowns I myself and me

Me keeps crying till it can hardly see...

We need someone to make us feel better  
To put us together again  
You know that it's true that's somebody new  
So open your heart and let us back in

Ever since you said sweet baby it's goodbye  
I've lost control over me myself and I

Me keeps crying till it can hardly see...

Me keeps crying myself keeps calling  
And I keeps reaching  
Yes honey you're to blame for these things that we do
