You're so strange  
It didn't start that way  
But what can I say  
You're strange

You're the talk the town  
All the girls around  
They're all staring you down  
Nothing's changed

Can't find a hand but everything's a scandal  
You're so strange  
Can't find the time cause you're wasting mine  
Nothing's changed

You're so strange  
You're so strange  
You're so strange  
So strange

Can't find a hand but everything's a scandal  
You're so strange  
Can't find the time cause you're wasting mine  
Nothing's changed

You're so strange  
You're so strange  
You're so strange  
So strange
