This ole house once I knew my children this ole house  
once I knew my wife  
This ole house was joy and comfort as we fought the  
storms of life  
This ole house once rang with laughter this ole house  
heard many a shouts  
Now she trembles in the darkness when the lightning  
walks about

I ain't a gonna need this house no longer ain't a gonna  
need this house no more  
Ain't got time to fix the shingles ain't got time to fix the  
floor  
Ain't got time to oil the hinges nor to mingle the window  
panes  
I ain't gonna need this house no longer I'm gettin'  
ready to meet the saints

This ole house is a gettin' shaky this ole house is a  
gettin' old  
This ole house stands in the rain this ole house stands  
in the cold  
Oh my knees are gettin' chilly but I feel no fear or pain  
Cause I can see an angel peekin' through a broken  
window pane

I ain't a gonna need this house no longer...

This ole house is afraid of thunder this ole house is  
afraid of storms  
This ole house just groans and trembles when the night  
come flings his arms  
This ole house is a gettin' feeble this ole house is a  
needin' paint  
Just like me it's tuckered out but I'm gonna get ready to  
meet the saints

I ain't a gonna need this house no longer...  
I ain't gonna need this house no longer I'm gettin'  
ready to meet the saints
