I tried so hard my dear to show that you're my every  
dream

Yet you're afraid each thing I do is just some evil  
scheme

A mem'ry from your lonesome past keeps us so far  
apart

Why can't I free your debtful mind and melt your cold  
cold heart

Another love before my time made your heart sad and  
blue

And so my heart is paying now for things I didn't do  
In anger unkind words are said that make the  
teardrops start

Why can't I free your debtful mind and melt your cold  
cold heart

You'll never know how much it hurts to see you sit and  
cry

You know you need and want my love yet you're afraid  
to try

Why do you run and hide from life to try it just ain't  
smart

Why can't I free your debtful mind and melt your cold  
cold heart

There was a time when I believed that you belonged to  
me

But now I know your heart is shackled to a memory  
The more I learn to care for you the more we drift apart

Why can't I free your debtful mind and melt your cold  
cold heart
