Today I passed you on the street

And my heart fell at your feet

I can't help it if I'm still in love with you

Somebody else stood by your side

And he looked so satisfied

I can't help it if I'm still in love with you

A picture from the past came slowly stealin

As I brushed your arm and walked so close to you

The-en suddenly I got that old-time feelin

I can't help it if I'm still in love with you

SPOKEN: Today I passed you on the street

SPOKEN: And my heart fell at your feet

I can't help it if I'm still in love with you

SPOKEN: Somebody else stood by your side

SPOKEN: And, ya know, he looked so satisfied

I can't help it if I'm still in love with you

Oh, it hurts to know anothers lips will kiss you

And hold ya just the way I used to do

Oh-oh-oh-oh heaven only knows how much I miss, how
much that I miss ya

I can't help it if I'm still in love with you
