In the summertime  
When all the trees and leaves are green  
And the red bird sings  
I'll be blue 'cause you don't want my love

Some other time  
That's what you say when I want you  
Then you laugh at me and make me cry  
'Cause you don't want my love

You don't seem to care a thing about me  
You'd rather live without me  
Than to have my arms around you  
When the nights are cold and you're so all alone

In the summertime  
When all the trees and leaves are green  
And the red bird sings I'll be blue  
'Cause you don't want my love

Once upon a time  
You used to smile and wave to me  
And walked with me but now  
You don't 'cause you don't want my love

Some other guy is taking up all your time  
Now you don't have time for me  
'Cause you don't want my love

Now you don't seem to care a thing about me  
You'd rather live without me  
Than to have my arms around you  
When the nights are cold and you're so all alone
