(Far far away on the Island of dreams)

I wander the streets and the gay crowded places  
Trying to forget you but somehow it seems  
That my thoughts ever stray to our last sweet embraces  
Over the sea on the Island of dreams

High in the sky is a bird on the wings please carry me  
away  
Far far away from the mad rushing crowd please carry  
me with you  
Again I would wander where mem'ries enfold me  
Over the sea on the Island of dreams

High in the sky is a bird on the wings please carry me  
with you  
Again I would wander where mem'ries enfold me  
Over the sea on the Island of dreams  
Far far away on the Island of dreams
