Judy's got the lips I love to kiss
And when she walks she's got the cutest twist
She's grown up before my eyes and all at once I realize
Judy, Judy, Judy I love you
Judy's got the hands I love to touch
The way she wrinkles her nose, it's just too much
No more shirts and bright blue jeans, all at once she's
seventeen
Judy, Judy, Judy I love you
I'm prayin' I'll stay in her heart for evermore
Cause she's the girl I've dreamed of, that I've been
waiting for
Judy's gonna share my life some day
And in my heart I know she's gonna stay
When I look into her eyes I just can't help but realize
Judy, Judy, Judy I love you
I'm prayin' I'll stay in her heart for evermore
Cause she's the girl I've dreamed of, that I've been
waiting for
Judy's gonna share my life some day
And I'll be true to her in every way
When I look into her eyes I just can't help but realize
Judy, Judy, Judy I love you
Judy, Judy, Judy I love you
