You've broken my heart and now the tears start to fall Why should I go on carrying if there's no love at all You've shattered my dreams and now the heartaches began

We're playing a game of pretend cause there's no love at all

No love and no fun there's not much left of me Once I've thought you loved me but look how wrong a man can be

You've broken my heart but someday I'm sure you will find

You'll slowly go out of your mind if there's no love at all No love and no fun there's not much left of me Once I've thought you loved me but look how wrong a man can be

You've broken my heart but someday I'm sure you will find

You'll slowly go out of your mind if there's no love at all
