Everybody's going out and having fun  
I'm just a fool for staying home having none  
I can't get over how she set set me free  
Oh lonesome me

A bad mistake I'm making by just hanging round  
I know that I should have some fun and paint the town  
A lovesick fool so blind I just can't see  
Oh lonesome me

Well I'll bet she's not like me she's out and fancy free  
She's flirtin' with the boys with all her charms  
But I still love her so and brother don't you know  
I'd welcome her right back here in my arms

Oh there must be some way I can lose these lonesome  
blues

Forget about the past and find somebody new  
I've thought of everything from A to Z  
Oh lonesome me  
[ harmonica - piano ]  
(Oh lonesome me)  
I'll bet she's not like me...  
Now there must be some way...  
Oh lonesome me oh lonesome me
