Forever my darlin'  
Our love will be true  
Always and forever  
I'll love just you

Just promise me darlin'  
Your love in return  
Make this fire in my soul  
Forever burn

Forever my darlin'  
Our love will be true  
Always and forever  
I'll love just you

Just promise me darlin'  
Your love in return  
Make this fire in my soul, dear  
Forever burn

My heart's at your command, dear  
To keep love and to hold  
Making you happy is my desire  
Keeping you is my goal

And I'll forever love you  
For the rest of my days  
I'll never part from you  
And your loving ways

No, I'll never part from you  
And your loving ways  
And I'll never ever part from you  
And your loving ways

Yes, yes  
Forever my darlin'  
I won't love nobody but you  
Give me love in return

[Incomprehensible]
