When I see my baby what do I see
Poetry poetry in motion

Poetry in motion walking by my side
Her lovely locomotion keeps my eyes open wide
Poetry in motion see her gentle sway
A wave out on the ocean could never move that way

I love every movement there's nothing I would change
She doesn't need improvement she's much too nice to
rearrange
Poetry in motion dancing close to me
A flower of devotion a swaying gracefully

[sax]

Poetry in motion see her gentle sway
A wave out on the ocean could never move that way

I love every movement there's nothing I would change
She doesn't need improvement she's much too nice to
rearrange
Poetry in motion all that I adore
No number nine love potion could make me love her
