Send me the pillow that you dream on
Don't you know that I still care for you?
Send me the pillow that you dream on
So darling, I can dream on it, too
Each night while I'm sleeping oh, so lonely
I'll share your love in dreams that once were true
Send me the pillow that you dream on
So darling, I can dream on it, too
Send me the pillow that you dream on
Maybe time will let our dreams come true
Send me the pillow that you dream on
So darling, I can dream on it, too
I've waited so long for you to write me
But just a memory's all that's left of you
Send me the pillow that you dream on
So darling, I can dream on it, too
So I can dream on it, too
