Send me the pillow that you dream on  
Don't you know that I still care for you?  
Send me the pillow that you dream on  
So darling, I can dream on it too

Each night while I'm sleeping oh so lonely  
I'll share your love in dreams that once were true  
Send me the pillow that you dream on  
So darling, I can dream on it too

Send me the pillow that you dream on  
Maybe time will let our dreams come true  
Send me the pillow that you dream on  
So darling, I can dream on it too

I've waited so long for you to write me  
But just a memory's all that's left of you  
Send me the pillow that you dream on  
So darling, I can dream on it too

So I can dream on it too
