Every night I sit here by my window
Staring at the lonely avenue
Watching lovers holding hands and laughing
And thinking about the things we used to do

(Thinking about things)
Like a walk in the park
(Things)
Like a kiss in the dark
(Things)
Like a sailboat ride

What about that night you cried
(Things)
Like a lover's vows
(Things)
That we don't do now
Thinking 'bout the things we used to do

Now memories are all I have to cling to
And heartaches are the friends I'm talking to
When I'm not thinking about how much I love you
Well, I'm thinking about the things we used to do

(Thinking about things)
Like a walk in the park
(Things)
Like a kiss in the dark
(Things)
Like a sailboat ride

What about that night you cried
(Things)
Like a lover's vows
(Things)
That we don't do now
Thinking 'bout the things we used to do

Heartaches are the friends I'm talking to
I'm thinking about the things we used to do
Oh, staring at that lonely avenue
