Oh, what am I gonna do?

I'm so afraid of losing you, can't sleep at night since
we're through
My world would end if I lose you, oh, what am I gonna
do?
In all my dreams, I see your smile though it just last a
little while
For that same smile, he dreams up too, oh, what am I
gonna do?

I've seen you out with him though you've not seen me
You looked into his eyes and said words you said to me
Each time he holds you close, something happens to
me
I wish that you were in my arms just saying you love me

Endless dreams, lonely nights
Empty arms that long to hold you tight
Memories of a love untrue, oh, what am I gonna do?
Oh, what am I gonna do?
