If you need a little lovin', call on me  
If you want a little huggin', call on me  
I'll be right here at home  
All you gotta do is pick up the telephone  
Dial now.

That's my number  
That's my number.

If you need some huggin' ,call on me  
If you want some kissin', call on me  
No, more lonely nights will be alone  
All you gotta do is pick up the telephone  
And dial now

That's my number  
That's my number.

Oh, I'll be right there just as soon as I can  
And if I'll be a little bit late now I hope you'll understand  
If you need a little lovin', call on me  
If you want a little huggin', call on me  
I'll be right here at home  
All you gotta do is pick up the telephone  
And dial now.

That's my number  
That's my number.

If you need some huggin' ,call on me  
If you want some kissin', call on me  
No more lonely nights will be alone  
All you gotta do is pick up the telephone  
And dial now.

That's my number  
That's my number...
