Don't you know it's dangerous in the dark
Don't come too close, beware of broken hearts, baby
You ought to know
I'm the one your mother warned you about
Everything you've heard is true, no doubt baby
I'm shootin' straight
Live everyday like it was the last
Can't get enough of the good times
Hold on for dear life, I live it fast.

See I'm bad, bad, bad, bad, bad for you
Bad, bad, bad, bad, bad for you
I got it bad for you.

It's all I can do when you stop me with your smile
You look so good, stay just a little while
Baby, be my dream tonight
We don't have to take it as it comes
Come with me, we'll make it on the run
Baby, baby, but I can't promise you a thing
See I love everyday like it was the last
Can't get enough of good times
Hold on for dear life, I live it fast.

See I'm bad, bad, bad, bad, bad for you
But it feels so good baby
Bad, bad, bad, bad, bad for you
Bad, bad, bad, bad baby for you, so bad.

What you should do is take the first train outta town
Losin' control, we're crossin' the line now.

Bad, bad, bad, bad, bad for you
But it feels so good, baby
Bad, bad, bad, bad, bad for you
I got it bad for you
Bad, bad, bad, bad, bad for you
I'm warnin' you girl, baby
Bad, bad, bad, bad, bad for you
I got it bad for you...
