I've seen the devil  
Stared him straight in the eyes  
Danced in his fire on my darkest nights  
Laid in his garden an' I drank his wine  
Slept with temptation to laugh at salvation  
It almost saved me alive.

Oh, I've been there done that, had my thrill  
Ain't goin' back again  
I was the life of every party  
It nearly did me in  
I was the baddest man you've ever seen  
Lord, I wrote the book on sin  
Yeah, I been down that road  
I ain't goin' back again.

I caused more damage than a hurricane  
I broke your heart an' didn't feel a thing. (I walked.)  
Then walked away and cursed your name in vain.  
(Cursed your name.)  
But with you as my witness  
You gave me forgiveness  
Now I've got a second chance.

Oh, I've been there done that, had my thrill  
Ain't goin' back again  
I was the life of every party  
It nearly did me in  
I was the baddest man that you've ever seen  
Lord, I wrote the book on sin  
Yeah, I been down that road.

He's knockin' at my door  
Ain't walkin' round here no more  
Been there, done that  
Ain't goin' back again, no!

I was the baddest mother that you've ever seen  
Lord, I wrote the book on sin  
Been there, done that  
Ain't goin' back again.

I was the life of every party  
It nearly did me in  
I was the baddest man that you've ever seen  
Lord, I wrote the book on sin  
Yeah, I been down that road  
I ain't goin' back again, oh, no.

Been there, done that  
I was the life of the party, yeah  
(Been there, done that...)
