I took to the good times  
Took a shot at the easy way  
Saw life as a place in line  
Just another show to play

But when the facts were known  
I saw a never ending road  
That's when the music  
Just took control

We're livin' in a danger zone  
Yes, we are  
We're livin' in a danger zone  
Oh, you know we are  
We're livin' in a danger zone

I look to the people  
To survive yet another day  
Couldn't find no peace of mind  
It was hell on the highway

I turned a one-way man  
With a certain kind of plan  
Things get mean behind the scenes  
They've gotten out of hand

We're livin' in a danger zone  
Yes, we are  
We're livin' in a danger zone  
Oh, you know we are  
We're livin' in a danger zone

[Incomprehensible] danger zone  
You gonna look out  
Ooh, livin' in a danger zone  
Yes, we are

Look what's goin' on  
It's the start of another day  
Everybody's feeling right  
Every thing's okay

Look to the past  
With a pain that's sure to last  
Livin' life was just a fight  
I was livin' life so fast

We're livin' in a danger zone  
Yes, we are  
We're livin' in a danger zone  
Oh, you know we are  
We're livin' in a danger zone

Play one more time yeah, yeah
