I got a spot in the country  
I got a dog in the yard  
I got a beat-up Chevy  
Rust kinda rough but she starts  
I got my Granddaddy's shotgun  
I can shoot pretty good  
I got a nice little garden of weeds  
Tucked back up in the wood.

An' I'm doin all right, livin' my life  
You got yours an' I got mine  
Yeah, it may not look like much to you  
But it's simple an' it suits me fine  
Yeah, the sound of the rain an' a lonely old train  
Listen to that engine whine  
'Cause I am what I am an' I sleep good at night  
An' I'm doin' alright.

I got a front porch for pickin'  
I got a National guitar  
I got some lightnin' for sippin'  
I've had about a jar  
I got a pretty old lady  
She's good at stretchin' a dime  
In this little corner a-heaven mister  
We have a helluva time.

An' I'm doin all right, livin' my life  
You got yours an' I got mine  
Yeah, it may not look like much to you  
But it's simple an' it suits me fine  
Yeah, the sound of the rain an' a lonely old train  
Listen to that engine whine.  
Yeah, I am what I am an' I don't give a damn,  
An' I'm doin' alright.

All the rats in the city  
Are livin' out of a box  
They look down their nose, at my life, I suppose  
An' I just laugh my country ass off.

Yeah, I'm doin' all right, livin' my life  
You got yours an' I got mine  
Yeah, it may not look like much to you  
But it's simple an' it suits me fine  
Yeah, the sound of the rain an' a lonely old train  
Listen to that engine whine  
'Cause I am what I am an' I sleep good at night  
An' I'm doin' alright  
Yeah, I'm doin' alright  
Doin' alright!.
