(Robbie Gay - Johnny Van-Zant - Donnie Van-Zant -
Larry Steele)

I've tried nearly all my life
To change this world for better
Where went the ways of yesterday
When we all lived together.

Now we're inside, looking out
Looking for the answer
Inside, looking out
What's the final chapter.

Who can we blame, except ourselves
For this state of confusion
The hunger pains, and grown man's games
With battelground solutions.

Inside, looking out
Trying to find the answer
Inside, looking out
We're headin' for disaster.

I can't believe, I can't believe
What's goin' on these days
We're movin fast, you know it can't last
We can't keep living this way.

Inside, looking out
Looking for the answer
Inside, looking out
We're heading for disaster.

Inside, looking out
Trying to find the answer
Inside, looking out
What's the final chapter.

Inside
Inside, looking out
We're heading for disaster.

Inside, looking out
What's the final chapter
Oh, Oh...
