Ohh Ohh --

You Say You Want To Take It Slow
Baby I Understand
You're Tellin Me That Fallin In Love Right Now
Just Ain't A Part Of Your Plan

But I Believe there's' No Such Thing
As Waitin For The Perfect Time
You Got To Hold On To The Moment
You Gotta Leave Your Past Behind

But I Can Give You What You Need
And You Got To Believe Hey

Just A Little Bit Of Love Is All You Need To Change Your
Mind
If You Give Me Just Half A Chance I Know I Could Make
You Mine
Just A Little Bit Of Love Can Wash Away The Hurt Inside
I Wanna Be There For You To Show My Loves For Real
I Wanna Get Next To You To Make You Feel What I Feel

Its A Nasty World We're Livin In
People Try To Walk On You
Loves A Game That We All Play
You Know You're Gonna Lose A Few
Just Because Your Heart's Been Broke
Don't Turn and Run Away
I'm Gonna Tear Down Thin Wall You Built
Gonna Show You How Love Is Made
But I Can Give You What You Need And You, You Got To
Believe Hey
Just A Little Bit Of Love Is All You Need To Change Your
Mind
If You Give Me Just Half A Chance I Know I Could Make
You Mine
Just A Little Bit Of Love Can Wash Away The Hurt Inside
I Wanna Be There For You To Show My Loves For Real
I Wanna Get Next To You To Make You Feel What I Feel

I'll Do Anything For You, And I'll Be All Right

I'll Give Everything To You Girl If It Takes All Night
I Know You Want It Too, Baby I'm Gonna Get To You

Little Bit Little Bit
You (You) Tell Me Love Is Pain
And I(I) Make You Want To Try Again Hey

Just A Little Bit Of Love Is All You Need To Change Your
Mind
If You Give Me Just A Half A Chance I Know I Could Make
You Mine
Just A Little Bit Of Love Can Wash Away The Hurt Inside
I Wanna Be There For You To Show You My Love Is Real
I Wanna Get Next To You To Make You Feel What I Feel
