Davey Lee broke jail last night  
He can't look back, got the hounds in sight  
Swam the swamp and dodged the law  
Ain't goin' back to Raeford anymore.

Keep on rollin', cruisin'  
Movin' on down the highway  
Keep on rollin', cruisin'  
Movin' on down the highway.

Davey Lee's a bad, bad man  
Folks in Florida understand  
Robbed their banks and liquor stores  
Ain't goin' back to Raeford anymore.

Keep on rollin', cruisin'  
Movin' on down the highway  
Keep on rollin', cruisin'  
Movin' on down the highway.

So lock your doors, turn on your lights  
Davey's on the loose tonight  
Put your piece beside your bed  
'Cause Davey remembers  
What his cellmate said.

Keep on rollin', cruisin'  
Movin' on down the highway  
Keep on rollan', cruisin'  
Movin' on down the highway...
