Don't try and underhand me
I'm not the fool you think I am
I swam through troubled waters
I'm not about to drown again

Ain't never gonna stop
I'm gonna make it
Make it to the top

I'm the last of the wild ones
(I'm the last of the wild ones)
Battle scars in my eyes
(Battle scars in my eyes)
I'm the last of the wild ones
(I'm the last of the wild ones)
It's all over when I die
(It's over when I die)

You know, I've got your number
I finally got you figured out
You steal a dime off a blind man
Burn the hand that feeds your mouth

Ain't never gonna stop
I'm gonna make it
Make it to the top

I'm the last of the wild ones
(I'm the last of the wild ones)
Rock and roll's in my blood
(Rock and roll's in my blood)
I'm the last of the wild ones
(I'm the last of the wild ones)
It's all over when I'm gone
(It is over when I'm gone)

Turn out the lights, the party's over
Let's celebrate here tonight
No more wheelin' and dealin'
I've got control of my life

Ain't never gonna stop

I'm gonna make it
Make it to the top

I'm the last of the wild ones
(I'm the last of the wild ones)
Don't need no crook to guide my life
(Don't need no crook to guide my life)
I'm the last of the wild ones
(I'm the last of the wild ones)
It's all over when I die
(It is over when I die)

The last of the wild ones, yes, I am
The last of the wild ones, yeah
