(Johnny Van Zant - Marvin Jarret - Robert Gay - Robert Morris)

In the hell raising business of Rock and Roll  
You gotta make it on your own  
Dorla put two feet in front of you  
And you always gotta be strong.

Only the strong survive it  
Only the strong survive Rock and Roll  
Only the strong survive it  
Only the strong survive Rock and Roll.

You can't let it get you down  
Because you ain't no star  
You gotta push and shove and look above  
It you're ever gonna get that far.

Only the strong survive it  
Only the strong survive Rook and Roll  
Only the strong survive it  
Only the strong survive Rock and Roll.

When you're sittin' on top of the world  
Don't let it get you high  
Don't let it go to your nose  
Or them fancy clothes  
It's such a long way down  
From the sky.

Only the strong survive it  
Only the strong survive Rook and Roll  
Only the strong survive it  
Only the strong survive Rock and Roll...
