Like Rubbing Sticks Together Heats Up The Stone  
You Unveil Emotions Like Strikin' Gold  
We Could Believe It's Just A Short Road  
Or We Could Take It Just As Far As It Goes

Take Me Beyond The Border Of Heaven  
Where We Can See No End In Sight  
Let The Truth Remove The Distance  
So We Can Feel It Happen Here Tonight  
Don't Let Me Stand A Chance To Recover  
I Wanna Find Out What Real Love Is Like  
Take Me On, Baby I'm Waitin'  
Right From The Start  
Take Every Beat Of My Heart

You Put My Dreams In Motion When You Walk In The  
Room  
You Make It So Hard To Breathe The Closer I Get To You  
Well It's All Over But To Say It's So  
From All Directions, I'm Ready To Go

Take Me Beyond The Border Of Heaven  
Where We Can See No End In Sight  
Let The Truth Remove The Distance  
So We Can Feel It Happen Here Tonight

Don't Let He Stand A Chance To Recover  
I Wanna Find Out What Real Love Is Like  
Take Me On, I Know I Can Take It  
Finish Me Off, Baby I'm Waitin'  
Right From The Start  
Take Every Beat of My Heart

(Well) I Won't Take No For An Answer  
(Cause) You Can Feel It When It's Right  
OHH-Tonight We're Goin' The Distance  
OHH-Right Through The Heart  
Right From The Start

You Took Me Beyond The Border Of Heaven  
Where We Can See No End In Sight  
Let The Truth Remove The Distance

So We Can Feel It Happen Here Tonight  
Don't Let Me Stand A Chance To Recover  
I Wanna Find Out What Real Love Is Like  
Take Me On I Know I Can Take It  
Finish Me Off (Cause) Baby I'm Waitin'  
Right From The Start  
Yeah, Like a Thief In The Dark

Take Every Beat Of My Heart  
Take Every Beat Of My Heart
