Yesterday's gone  
And I'm on the road again  
Well, leaving all my problems  
Playing out my fantasies

If you wondered how I feel  
You get by love soon

I wish I could turn back  
I wish I could turn back  
Start all over and over again  
Oh, oh, yesterday's gone

I'm traveling down this highway  
It's all an answer to it all  
Never really see  
Where we play, yeah, yeah

If we never come back home  
I want you all to know

I wish I could turn back  
I wish I could turn back  
Start all over and over again  
Oh, oh, yesterday's gone  
Oh, and I'm all alone

On a lonesome highway  
Singing my song

I wish I could turn back  
I wish I could turn back  
I wish I could turn back  
Yesterday's gone

I wish I could turn back  
I wish I could turn back  
I wish I could turn back  
Yesterday's gone

I wish I could turn back  
I wish I could turn back

I wish I could turn back  
Yesterday's gone
