Draw me close to You
Never let me go
I lay it all down again
To hear You say that I'm Your friend

You are my desire
And no one else will do
'Cause nothing else can take Your place
To feel the warmth of Your embrace

Help me find a way
Bring me back to You
Bring me back, oh Jesus

Draw me close to You
Never let me go
I lay it all down again
To hear You say that I'm Your friend

You are my desire
And no one else will do
'Cause nothing else can take Your place
To feel the warmth of Your embrace

Help me find a way
Bring me back to You

You're all I want
You're all I've ever needed
You're all I want
Help me know You are near

You're all I want
You're all I've ever needed
You're all I want
Help me know You are near
Help me know You are near
Help me know You are near

You're all I want, oh yes you are
You're all I've all I've ever needed
You're all I want help me know You're near

Help me know You are near

Don't you ever leave, don't you ever leave me

Help me know You are near

Don't you ever leave me Jesus

Help me know You are near
