Black Cat Bone
I believe my old lady she done
Drive my black cat bone
You know I made my old lady she done
Drive my black cat bone
I got funny feeling right here
Something's going all wrong
She don't shoot in the morning
She walks the street til late at night
She don't shoot in the morning
She walks the street til late at night
Well she come home in the evening
Doggone baby fight
Gonna call up the operator
Right around the town
Get up this crazy world that's going on
I believe my baby she done
Drive my black cat bone
I got funny feeling right here
Something's going all wrong
My mama treats me like a
Well fed dog at bay
You know my baby like a
Well fed dog at bay
Yeah I might be tired of living
And I'll put six feet in the grave
I'm gonna take it up iron memphis
To get my hands on the bone
Gonna lay around here living till I
Get on the phone
Gonna make it to Memphis man
To get my hands on the phone
I'm gonna lay around here in Mississippi
'Cause or else it's gonna spoil
I believe my old lady she done
Drive my black cat bone
You know I made my old lady she done
Drive my black cat bone
I got funny feeling right here
Something's going all wrong
