I got a girl named Bony Moronie  
She's as skinny as a stick of macaroni  
Oughta see her rock 'n' roll with her blue jeans on  
She's not very fat, she's just skin and bones

Well now, I love her and she loves me  
Oh, how happy now we gotta be  
Makin' love underneath the apple tree

Well, I told her mamma and her poppa too  
Just exactly what I'm gonna do  
We're gonna get married on a night in June  
And rock 'n' roll by the light of the silvery moon

Well now, I love her and she loves me  
Oh, how happy now we gotta be  
Makin' love underneath the apple tree

Well, now she's my one and only, she's my hearts  
desire  
She's a real upsetter, she's a real live wire  
Everybody's watchin' when my baby walks by  
She's some good lookin', really catches the eye

Well now, I love her and she loves me  
Oh, how happy now we gotta be  
Makin' love underneath the apple tree

Makin' love, makin' love, makin' love  
Harder, harder, harder, harder
