I done lost all my money and I'm about to lose my mind  
Yeah and yeah!  
I done lost all my money and I'm about to lose my mind  
Yes I am!  
And it seems like my baby is tryin' to leave poor me  
behind  
Yes it do!

But all women used to holler "here comes a good  
sweet loving man"  
Yeah they did!  
All the women used to holler "here comes a good  
sweet loving man"  
Yeah they did!  
And now when they see me, they won't even wave a  
hand  
No they don't!

Let me tell you now whoah, yeah, how could this  
happen to me?  
Yeah and yeah!  
I'm broke and I'm lonely and my heart's in misery  
Yes it is!

Yeah!

[Instrumental]

If I ever get some money and get back on my feet  
again  
Yeah and yeah!  
If I ever get some money and get back on my feet  
again  
Yeah and yeah!  
I'm going back down to Texas to wave them off, these  
chicks and friends  
Yes I am!

Let me tell you now whoah, yeah, how could this  
happen to me?  
Yeah and yeah!  
I'm broke and I'm lonely and my heart's in misery

Yes it is!

You know I'm broke and lonely now  
My heart's in misery  
Hey hey  
Hey now child  
Oh, I'm broke and lonely  
My heart's in misery  
Yeah, yeah...  
Yeah... talkin' 'bout misery  
Yeah...  
I'm broke and lonely...  
Yes I am  
I'm broke and lonely now  
My heart's in misery  
I'm just lonely...
