Good morning little schoolgirl, good morning little  
schoolgirl  
Can I go home with, can I go home with you  
I'll tell your mother and your father, I'm a little  
schoolboy too

Gonna buy me an airplane, gonna buy me an airplane  
Gonna fly all over, gonna fly all over town, all over  
town, yes  
If I don't find my little schoolgirl, ain't gonna set my  
airplane down ah, yeah

Good morning little schoolgirl, ah, I remember way  
back, I remember way back  
When I was twelve, baby when I was twelve years old  
You know I was looking for a schoolgirl just to, eat my  
jelly roll, yeah

G, good morning little schoolgirl, good morning little  
schoolgirl  
Can I go home with, can I go home with you, ah, yeah  
Tell your mother and your father, I'm a little schoolboy,  
yes a schoolboy
