Good morning little schoolgirl
Good morning little schoolgirl
Can I go home with, can I go home with you?
I'll tell your mother and your father
I'm a little schoolboy too

Gonna buy me an airplane
Gonna buy me an airplane
Gonna fly all over, gonna fly all over town
All over town, baby

If I don't find my little schoolgirl
Ain't gonna set my airplane down, ah yeah
Good morning little schoolgirl, ah yeah

I remember way back
I remember way back
When I was twelve
Baby, when I was twelve years old
You know I was looking for a schoolgirl
Just to, eat my jelly roll, yeah

Good morning little schoolgirl
Good morning little schoolgirl
Can I go home with, can I go home with you? Ah yeah
Tell your mother and your father
I'm a little schoolboy too
Yeah little schoolboy
