Well, I'm gonna 'way to leave, won't be back no more
Going back down south, child why don't you wanna go
Woman I'm troubled oh-ho, I'll be all worried in mind
Well you know I just can't be satisfied, I just can't keep
from tryin'

Yeah, I know my little baby she gonna jump and shout,
yeah
When that old train be late, boy lord, and I come walkin'
out
Woman I'm troubled oho-ho, I'll be all worried in mind
Well you know I can't never be satisfied, I just can't
keep from tryin'

Well, always in my sleep hear my doorbell ring
Looking for my woman boy, I don't see a doggone
thing
I'll be troubled, oh I'll be all worried in mind
Well you know I just can't be satisfied people, I just
can't keep from tryin'

Yeah, I know my little baby, yeah she gonna jump and
shout
When that old train be late boy lord and I come walkin'
out
I'll be troubled oh, I'll be all worried in mind
Well you know I just can't be satisfied I just can't keep
from tryin'
