Life ain't easy  
It's a long, hard, rocky road  
Well it's dog, dog eat dog  
And survival of the fittest so I'm told  
No matter how you try  
Life is hard and then you die

This old world is a tangle  
You can't trust your closest friend  
You know the devil wears a blue dress  
And she's out to get you in the end  
I can't count the tears I cried  
Life is hard and then you die  
Yeah, it's hard...

[Instrumental]

Everybody...  
Got their own cross to bear  
Black or white, rich or poor  
You know the blues is everywhere (everywhere)  
Just keep reachin' for the sky  
Life is hard and then you die
