(Oh yeah, go ahead now)

Sometime I feel so evil it hurt my mind to think

(Yeah that's bad man)

Sometime I get so evil, you know it hurt my mind to think

(Ha ha)

Sometime I get so weary you know it hurt my feet to stink

(That's bad news too)

You know I get to wonderin', people should I go or stay

Well get to wonderin', should I go or should I stay

Sometimes I feel it don't matter anyway

(Yeah you know what I'm talkin' about)

Seems like there ain't no reason for me feelin' so damn blue

Can't get no satisfaction, I don't care what I do

Seem like there ain't no reason for me feelin' so damn blue

(Yes that's true now)

I can't get no satisfaction, baby, I don't care what I do

(Yeah, I don't care, man, let me hear some)

(Go ahead, Ed)

I believe I'll pack my suitcase, throw a nickel in the air

(I'm gonna throw it high too, man, just like me)

I believe I'll pack my suitcase, throw a nickel in the air

(Yeah)

And it come down tails I'm gonna get mine out of here

(Yes it's about time to move on, man)

(Gotta watch them tails)

(Yeah)
