Walk that walk
Talk that talk
Wrapped up in a leather jacket
Rock rock rock with me
Roll with me

Looking cool after school
Got to find a girl
Who wants to fool fool fool with me
Oh, fool with me
Roll roll roll with me
We've got to move on till we reach the top
Roll roll roll with me

You know you'll never never never ever
Gonna wanna stop, yeah, alright
Lookin' good like she should
Hey little girl do you think you could with me

Roll with me
You gotta walk that walk
Talk that talk
Wrapped up in a leather jacket
Rock rock rock with me, yeah
Rock with me
Roll roll roll with me

We've got to move on till we reach the top
Roll roll roll with me
You know you'll never never never ever
Gonna wanna stop

Right on
Roll roll roll with me
We've got to move on till we reach the top
Roll roll roll with me
You know you'll never never never ever

Gonna wanna stop
Roll roll roll with me
We've got to move on till we reach the top
Roll roll roll with me

You know you'll never never never ever
Gonna wanna stop, yeah
No, no
