Run, Run Rudolph - Johnny Winter

1. Out of all the reindeer Rudolph is the mastermind.  
Run, run Rudolph, Randolph's right behind;  
He's got all your moves runnin' round in his mind.  
Run, run Rudolph, Santa's got to make it to town.  
He's in a hurry, and can't take the freeway down ...  
Gifts to deliver, he's turning like a merry-go-round.

2. Santa asked a little boy, "What you been longing for?"  
"All I want for Christmas is a real rock and roll guitar."  
Away went Rudolph streaking like a shooting star.  
Run, run Rudolph, Santa's got to make it to town.  
He's in a hurry, and can't take the freeway down ...  
Gifts to deliver, he's turning like a merry-go-round.

3. Santa asked a little girl, "What would you like to get?"  
"I want a baby doll that can talk, and cry, and wet."  
Away went Rudolph blazing like a saber jet.  
Run, run Rudolph, Santa's got to make it to town.  
He's in a hurry, and can't take the freeway down ...  
Gifts to deliver, he's turning like a merry-go-round.

Run, run Rudolph! Run, run Rudolph!  
Run, run Rudolph! Run, run Rudolph!  
Under the gun, showing why he's Number One!
