(Elmore James, Morris Levy, Clarence Lewis)

Well, I'm a stranger here
And I just blowed in your town
Well, I'm a stranger here
And I just blowed in your town
Just because I'm a stranger
Everybody wants to dog me around
Well, I'm going back now south
If I have wear ninety nine pair of shoes
Well, I'm going back now south

If I have wear ninety nine pair of shoes
Then I won't be no more stranger
I won't have no more stranger's blues
Well, sometime I wonder
Do my good gal know I'm here?
Well, sometime I wonder
Do my good gal know I'm here?
Well, if she do
She sure don't seem to care
Don't seem to care
