Tell the truth
Tell the truth, girl, now
You know you got me goin' everything crazy that you
want me to do
Yes, you have girl

Don't you, don't you, don't you know you gotta tell the
truth, yeah huh
Baby, baby, baby, babe why don't you tell me truth,
now, uh
You know you got me goin' everything crazy that you
want me to do
Yes you have, yeah watch it

Lovin' you is just a little bit easy started
So hard to stop
Feel how could
Baby, baby, you know I would
I feel a strong all around
If I thought that it would do any good

Mama, tell me the truth, yeah
Lil-lil-little girl just
Tell me the truth now, yeah, huh
You know you got me goin' everything foolish that you
want me to do

Oh play it
Come on dear, yeah
Tell 'em, tell 'em, tell 'em the truth now
Tell the truth now

Lovin' you is easy to start, hard to stop
But I'm gonna just tell you this, uh
If I had to do it, baby, you know I would
I would feeling a strong all around
If I just thought that it would that do me some good

The truth now
Tell 'em, tell 'em, tell 'em just tell me the truth now
Just tell me the truth now
Got to tell me no lie

I wanna tell me the truth now

Don't you, don't you tell me no lie, ah
Just tell me the truth now
Don't you, don't you tell me no lie girl, huh
Just tell you the truth now
