Gonna give you 30 days to get back home
Gonna talk to the gypsy woman gonna tell her so
She gonna put out a worldwide voodoo
That'll be the very thing that'll suit you
Gonna see that you be back home in 30 days
Gonna talk to the judge in private early this morning
He took me to the sherrif's office to sign a warrant
Gonna put across something against you
That'll be the very thing that'll send ya
Gonna see that you be back home in 30 days

30 days (30 days)
30 days (30 days)
Gonna see that you be back home in 30 days (30 days)
Gonna put across something against you
That'll be the very thing that'll send ya
Gonna see that you be back home in 30 days
If I don't get no satisfaction from the judge
Gonna take it to the FBI & the local fuzz
If they don't give me no compensation
I'm gonna take it to the United Nations
Gonna see you be back home in 30 days

30 days (30 days)
30 days (30 days)
Gonna see that you be back home in 30 days (30 days)
If they don't give me no compensation
I'm gonna take it to the United Nations
Gonna see you be back home in 30 days
