Well, I'm tired of tryin', so tired of tryin'
You know I'm tired of tryin', well I'm so tired of tryin'
So tired of tryin', tryin' to get along with you

You put salt in my coffee
Sawdust in my brew
I'm just here to cash it in
Don't you think that's mighty rude

Tired of tryin', so tired of tryin'
I'm so tired of tryin', tryin' to get along with you

You always told me, mama,
You don't need other man
And really do believe it's true
You already got nine or ten

That's why I'm tired of tryin', I'm so tired of tryin' (Lord
it's true)
I'm so tired of tryin', tryin' to get along with you

Yeah I'm tired, man!

(Gotta believe it now...)

[Instrumental]

(Go and rock!)
(Guitar!)

[Instrumental]

I'm leavin' soon this mornin'
Baby, you call that gone
I gotta get through to somebody new
To carry my business on

Tired of tryin', I'm so tired of tryin'
I'm so tired of tryin', tryin' to get along with you

Lord, so tired of tryin', tryin' to get along with you
Yeah, I'm tired of tryin' mama, tryin' to get along with

you

Yeah...
