I'm goin' out walkin',  
walking down through the park  
I'm gonna walk in the moonlight,  
till the night gets dark

I'm goin' out walkin',  
along the old avenue  
I'm gonna walk for so long,  
till she won't know what to do

I'm goin' out walkin',  
walkin' down along the street  
I'm gonna walk her along beside me,  
that girl can't be beat

Don't you bother my baby,  
no tellin' what she'll do  
The girl she may cut you,  
she may shoot you too
