I'm looking, I'm looking for a foxy love
Yeah...

I'm a wolf in sheep's clothes, baby
And I'm hunting for a foxy love
I might look like a little lost lamb
But you should hear me howl
When the full moon shines above

Mary had a little lamb
His fleece was white as snow
But that was really me
In sheep disguise
That's a fact I bet you did not know

I'm a wolf in sheep's clothing
I'm hunting for a foxy love
Well, I might look like a little lost lamb
But you should hear me howl when the full moon,
The moon shines above

Little lamb chops, she's such an innocent thing
At least I thought that to be true
But I found out, late one night
She was a wolf in sheep skin too

Because I'm a wolf in sheep's clothes, baby
I'm hunting for a foxy love
I might look like a little lost lamb
You should hear me howl
When the full moon shines above

Let me howl now!

[Instrumental]

Little Bo Peep, you know she lost her sheep
Nowhere could they be seen
I shouted, hey Bo Peep, forget them sheep
Come spend the night with me

I'm a wolf in sheep's clothes,

Baby, I'm looking for a foxy love
I might look like a little lost lamb
You should hear me howl
When the full moon shines above

I'm a wolf in sheep's clothing
And I'm looking for a foxy love
Well might look like a little lost lamb
You should hear me howl
When the full moon shines above
