Hahahaha.

It's Johnny Boy, bitches

Envy, lust, greed, and pride  
That's my life. No truths; no fucking lies.  
Envy, lust, greed, and pride  
That's my life. No truths; no fucking lies.

Bitches wanna be me. Bitches wish the knew me.  
Bitches keep on talking, while Pedos keep on stalking.  
Bitches always ask 'Why are you so effin hot?'  
Why dont you ask your boyfriend?  
Apparently you're not!(Apparently you're not.)

Envy, lust, greed, and pride  
That's my life. No truths; no fucking lies.  
Envy, lust, greed, and pride  
That's my life. No truths; no fucking lies.  
Bitches need to fall back.  
They need to understand,  
that Johnny Boy is here,  
and I'm gonna take your man.

If you think I'm joking,  
I'll help you understand.  
I'll knock your ass the fuck out;  
Have fun in Neverland.  
Have fun in Neverland.  
and I'm gonna take your man!

Envy, lust, greed, and pride  
That's my life. No truths; no fucking lies.  
Envy, lust, greed, and pride  
That's my life. No truths; no fucking lies.

It's Johnny Boy, bitches  
Hahaha
