Well I'm not your baby,  
No more!  
'Cause I let you go with none  
Let you go with no score  
Well I'm not a baby,  
No more!  
With eyes full of sun,  
I'll feed my love you get bored

I get around  
Except don't wanna spend my time on you my love,  
Fucking get rid of this heartache again  
I get around  
For now I get around  
Except don't wanna spend my time on you my love,  
Fucking get rid of this heartache again

There won't be no maybe's  
No more!  
With eyes full of sun,  
I'll feed my love you get bored  
And I'll have my baby now,  
Fucking D-chord,  
Will beat it out of me  
I'll feed my love you get bored

I get around  
Except don't wanna spend my time on you my love,  
Fucking get rid of this heartache again  
I get around  
For now I get around  
Except don't wanna spend my time on you my love,  
Fucking get rid of this heartache again

Wish I can say bye,  
Why can't you die stop living in my mind,  
'Cause every time I see a way to break myself free  
from you,  
Stick in my head like glue

For now I get around  
I get around

Except don't wanna spend my time on you my love,  
Fucking get rid of this heartache again  
I get around  
Oh, I get around  
Except don't wanna spend my time on you my love,  
Fucking get rid of this heartache again
