I'm butterfly in the forest.  
I'm a lion in a cage.  
There's a dolphin in the ocean.  
And a seagull up in space.

On their way back home to the mothership.  
I figure it out, figure it out.  
On their way back home to the mothership.  
Figure it out.

I'm the one who's patrolling.  
Circling up and down the block.  
With your guns, you control me.  
With your guns you'll never stop.

I don't wanna go seek a dreamland.  
Wanna live for what is real.  
If the truth is there in your hand.  
Gotta tell me how it feels.

On their way back home to the mothership.  
I figure it out, figure it out.  
On their way back home to the mothership.  
I figure it out.

I'm the one who's patrolling.  
Circling up and down the block.  
With your guns, you control me.  
With your guns you'll never stop.

On their way back home to the mothership.  
I figure it out, figure it out.  
On their way back home to the mothership.  
I figure it out, yeah!

I'm the one who's patrolling.  
Circling up and down the block.  
With your guns, you control me.  
With your guns you'll never stop, no.

On their way back home to the mothership.

I figure it out (figure it out), yeah! (Yeah, yeah, yeah,  
yeah...)  
Mothership.  
On their way back home to the mothership.
