I threw a wish in the well  
Don't ask me, I'll never tell  
I looked to you as it fell  
And now you're in my way

I trade my soul for a wish  
Pennies and dimes for a kiss  
I wasn't looking for this  
But now you're in my way  
Your stare was holding  
Ripped jeans, skin was showing  
Hot night, wind was blowing  
Where you think you're going baby?

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
It's hard to look right, at you baby  
But here's my number, so call me maybe

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
And all the other boys, try to chase me  
But here's my number, so call me maybe

You took your time with the call  
I took no time with the fall  
You gave me nothing at all, but still you're in my way  
I beg and borrow and steal  
At first sight and it's real  
I didn't know I would feel it, but it's in my way

Your stare was holding  
Ripped jeans, skin was showing  
Hot night, wind was blowing  
Where you think you're going, baby?

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
It's hard to look right, at you baby  
But here's my number, so call me maybe

Hey, I just met you, and this is crazy

But here's my number, so call me maybe  
And all the other boys, try to chase  
But here's my number, so call me maybe

Before you came into my life I missed you so bad  
I missed you so bad... I missed you so, so bad  
Before you came into my life I missed you so bad  
And you should know that... I missed you so, so bad

It's hard to look right, at you baby  
But here's my number, so call me maybe

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
And all the other boys, try to chase me,  
But here's my number, so call me maybe

Before you came into my life I missed you so bad  
I missed you so bad... I missed you so, so bad  
Before you came into my life I missed you so bad  
And you should know that  
So call me maybe
