Things I do, things I do  
Baby this is hard to tell you  
But I feel like maybe, maybe we can do much better, uh  
Cause all we do is fight and that is getting old  
And I don't wanna hide but I'm losing hope

Means all the things I do for love,  
... hoops, to show you, you're my fool and I need you  
Boy you drive me crazy  
Means the things I do for love  
Play myself, I need help, why you gotta make me stress  
Boy you drive crazy

Things I do, things I do  
It could all be simple but you makin' it hard  
Please tell me, what makes you happy and I'll do what  
you want  
Cause that's how I feel about you and my friends will  
say the same  
I'm a giver... to stay but you keep on pushing me

Means all the things I do for love,  
... hoops, to show you, you're my fool and I need you  
Boy you drive me crazy  
Means the things I do for love  
Play myself, I need help, why you gotta make me stress  
Boy you drive crazy

I'm trying to show my love to you  
But I'm crying in circles  
You just don't seem to see  
But all of my love is for you  
Maybe this is got to stop, show me how to get through  
to you

Things I do, things I do

Means all the things I do for love,  
... hoops, to show you, you're my fool and I need you  
Boy you drive me crazy  
Means the things I do for love

Play myself, I need help, why you... make me stress  
Boy you drive crazy.
